.Remarks:- Though of ~~last~~ late he has been doing good ..... Head Clerk, Rev. Dvl. Office, Coondapoor, but taking the whole record into consideration, his sheet seems to be one of ups and downs. Very often he was found tobe slack and not prompt, very unsystematic and had several punishments. His increment was stopped for one year for gross delays and disobedience of orders and failure to submit diaries for several fortnights. As Revenue Inspector he seems to have been a x failure. Not yet fit to be a Deputy Tahsildar in the competitive field. Hence not recommended.

Office note.

(15) Sri Cuthbert Lasrado. S.S.L.C. Age 33 years. Working as Head Clerk, Rev. Dvl. Office, Coondapoor. Non-striker. Name was recommended in 1947 & 48 and considered in 1949, but was ordered to wait in all the 3 years. The Collector does not recommend his name for the reasons given by him. The personal file and the petition may be perused.

Secretary's note.

Began badly and continued so until 1948. In 49, Charles John found him smart and intelligent and prompt. N.C.Thomas agreed with him. In his second report for 49, Charles John found him

smart, intelligent and hardworking, with effective control over subordinates and give a red entry for a good work done in his office and recognised by the Collector during his office inspection. The Rev. Dvl. Officer, Abdur Rahiman and Collector, Syed Ahmed have found his work good. May be included against one of the 4 passed over turns to the credit of the community.

Include.

Sd. W.R.S.Sattianathan,
Commissioner.

Record up to 1945 is unsatisfactory. Punished in 1945 for irresponsibility. Saunders considered him average in 1947. His subsequent good reports, are mostly from Charles John and Collector wants to watch his work. I would like to have the opinion of the present Collector. Wait.

Y

Sd. V.N.Kudva,
Commissioner.

The Government reference does not affect my view particularly as the Collector has not recommended his case.

Sd. V.N.Kudva,
Commissioner.

I consider him fit for inclusion. His reports for the last 3 years are definitely good. He has also received a red entry. The Collector no doubt has not recommended him. But he has been very conservative in his recommendations. He says that Lasrado is doing good work. His reports for the last 3 years fully justify his inclusion especially when his community has 4 passed over turns to its credit.

I may state that I have been told definitely by Hon'ble Minister for Revenue to lower the standard to some extent to fill up gaps created by passed over turns. We have informed Government in writing that we will act accordingly.

Sd. W.R.S.Sattianathan,
Commissioner.

-

p.t.o.

Item 15 has not started acting. His record is fair enough but I do not think we should complicate our regularisation proposals by putting in new names. Three vacancies estimated have already been provided for and a fourth also in item 16.

Item
~~Hence~~ 15 may therefore wait. He is young.

Sd. V.S.Hejmadi,
Commissioner.
